SERVICE PARTS & ACCESSORIES GUIDE

An Ariens Company Brand

WHY USE GENUINE ARIENS® PARTS?

You've purchased a **legendary product** — one that promises to give you **extraordinary performance** year after year. It's the **exceptional parts** and **comfort-creating accessories** that make up these high-quality, high-performing machines. Everything on your Ariens Sno-Thro® is built to superior and exacting standards. Every part. Every accessory. So when you choose them for your Ariens or Gravely, you know you will get the best fit, best form and best function. Always.

We manufacture the majority of our Ariens parts at our Brillion, Wisconsin facilities, and whenever possible, source our supplies from an **American company**.

We build with pride, so you can sell with pride.

Ariens parts are shipped out of our distribution center in Indiana, and we are dedicated to providing you with superior products and on-time delivery. We even have a **Parts Guarantee**, providing you with same day shipment for all orders received and verified before 2:00pm CST. If your part is not in stock and placed on backorder, it will be shipped via ground with free freight.

LIGHT KITS

Busy people may not always have time to mow their lawns in bright sunlight. There are times toward the end of the day or when clouds are rolling in that the lawn needs to be mowed, bright sunlight or not. Ariens and Gravely mowers can make the most of daylight by making short work of mowing, but in low light conditions a Light Kit is a very helpful tool.

OPERATOR CONTROLLED CHUTE BAFFLE KITS

The Operator Controlled Chute Baffle is specifically designed to fit most Gravely X-Factor decks. This discharge chute kit offers the operator the ability to quickly control the flow of side discharged grass clippings on the fly. By operating a simple spring loaded control handle, a baffle plate is dropped, covering the deck's discharge opening, preventing grass clippings from being spread across walkways, flowerbeds and other unwanted areas. The baffle can be quickly raised allowing the mower to regain its side discharge operation. All this while leaving the rubber discharge chute intact so that safety and ANSI compliance are not compromised.

44" 48" 52"

For use on Zero-Turn models with a front mount.

79202900
For use on Pro-Master 100 and Ariens Zoom XL models 992062 and 063.

LM WHEEL KITS

Pushing and turning a mower or blower can mean a great deal of work. Why wear yourself out unnecessarily? The Swivel Wheel Kit replaces the fixed front wheels of your mower or blower with wheels that turn and pivot independently. Turning the mower or blower without having to push down on the handlebars relieves pressure from your hands and shoulders, which makes mowing an easier, less stressful job.

71104100 SWIVEL WHEEL KIT
For use on steel deck 911 series LMs (except Blade Runner Series).

71103900 STRAIGHT AXLE CONVERSION KIT
Converts a swivel wheel unit to a straight axle unit. For use on steel deck 911 series (except Blade Runner series).

HITCH KITS

Turn your Ariens/Gravely zero-turn into a multi tasking machine by simply adding the hitch kit. The robust design of the hitch kit allows you to pull a multitude of accessories such as pull behind sprayers, fertilizer spreaders, and utility trailers. Get the most out of your zero-turn investment and add a hitch kit today.

71509300
For use on Zoom XL & ZTXL models.

71510900
For use on Zoom/ZT models.

73603300
For use on Ariens Garden Tractors.
